As one of the newest and meticulously managed buildings in the city, every detail is designed for upscale urban living. Enjoy the convenience of a dedicated concierge who handles your packages and daily requests, while 24/7 security—courtesy of cameras and guards—ensures your peace of mind. When guests arrive, a spacious suite offers additional privacy, and an enormous bike room caters to your active lifestyle. The building's extensive amenities, including a gym, yoga room, sauna, and a standout rec room perfect for hosting gatherings, are perfectly complemented by a serene Zen garden that doubles as a retreat for both you and your pets. There is even a Car Wash bay for your car and pets! Inside the almost 560-square-foot unit, expansive west and north windows bathe the open kitchen, dining, and living areas in natural light, framing unobstructed views of Central Memorial Park and the city skyline, while the private bedroom and generous storage spaces add to the appeal. With underground titled parking, additional storage, and utilities like gas, heat, water, and central AC included in the condo fee, this residence is a rare and enticing urban oasis that truly must be

seen.
