Peaceful Country Living Just Steps from the Lake! If you're looking for a quiet and cozy place to live, this home could be just right for you. It's a 2-bedroom, 1-bathroom home on a peaceful lot, perfect for relaxing and enjoying the country living. Inside, the living area is open and welcoming, with a wood stove that adds a nice, homey feeling. The layout is simple and easy to live in, ideal for anyone looking to downsize, start fresh, or raise a small family. The double detached garage features lots of space for storage, parking, or setting up a workshop. The yard is a real standout here, spacious, green, and perfect for anyone who loves the outdoors. There's plenty of room to plant a garden, let kids or pets play, or simply unwind under the shade of the mature trees. With fruit trees on the property, you can enjoy a bit of homegrown sweetness. Enjoy your summer days on the lake, spend time with family and friends, or simply sit by the shore and enjoy the sunset views. Don't miss the opportunity to own this home!!
