Beautiful spacious family friendly home in a quiet cul de sac ! Fully landscaped heritage style home that borders greenspace and a park which is a huge bonus for the family ...Extra space you don't have to maintain ! 6 bed 3 bath home, has tons of space for everyone, spacious kitchen with vaulted ceilings, pantry and eat up island, and continues down to the large family living room/games area/dining area...This space can go so many ways. Tons of natural light, and a gas fireplace for winter home time. 3 spacious bedrooms upstairs including the Main Bedroom which also has an en-suite for convenience. The basement is complete with another two bedrooms, and one having their own en-suite, so a nice space for visiting family, or an older child to have their own space. as a bonus there is tons of room for cold storage and just storage itself throughout the home. The home also has \$31,000 worth of solar panels which contributes to lower energy costs. Attached double garage, and backyard has a garden area, firepit area, as well as a covered (roofed in) area for those family gatherings, and as an extra bonus...The side fence has double gates and a concrete pad to store an RV if needed, or a basketball court, or pool...The possibilities are endless ~
