Welcome to this stunning corner-lot home in the highly sought-after community of Midtown by Shane, featuring two master bedrooms upstairs—a rare and highly desirable layout. With 2161 sqft of living space, this home offers a total of 4 bedrooms, 4 full bathrooms, and a spacious main floor den with its own ensuite, making it ideal for growing families and multi generational living. The main floor showcases an open-concept design with 9 ft ceilings, a central island, quartz countertops, stainless steel appliances including a gas cooktop and built-in microwave, plus a spacious living room with an electric fireplace. The dining area provides access to a large backyard and a deck equipped with a BBQ gas line. A versatile den/flex room with pocket door access to a full bath completes the main level. Upstairs, the primary master suite features a walk-in closet and luxurious 5-pc ensuite, while the secondary master offers its own private 3-pc ensuite. Two additional bedrooms share a full bath, and a cozy bonus room creates the perfect space for family movie nights. Conveniently, the laundry room is also located on the upper floor. The undeveloped basement comes with a separate side entry, 9 ft ceiling height offering great potential for future development. Situated in Midtown, this home is just minutes from schools, parks, pathways, a community lake, and retail amenities—combining comfort, functionality, and an unbeatable location.
