This beautifully updated home offers luxurious features and thoughtful upgrades throughout. The modern kitchen boasting granite countertops, a central island, and ample cabinet space. Upstairs, you'll find engineered hardwood flooring, vaulted ceilings with recessed pot lights, that creates an inviting atmosphere. All three bathrooms are outfitted with heated tile floors and sleek quartz countertops. The fully finished basement includes 3 bedrooms, storage space and a spacious living area with a cozy gas fireplace and a stylish wet bar—perfect for entertaining guests. Step outside to an incredible backyard retreat. The back deck features covered roof with electric louvered roofing with built-in heaters, an outdoor kitchen, and electric operated privacy screens for ultimate comfort and seclusion. Just off the deck, enjoy a beautifully landscaped, fully fenced yard complete with mature trees, shrubs, a stone paver walkway, and a stone wood-burning firepit. There's also a double gate providing convenient RV parking access from a paved back alley. Additional highlights include underground sprinklers and a irrigation system to the trees and plants, as well as a charming covered front porch. This home combines indoor elegance with outdoor living at its finest—truly a must-see!
