Location truly sets this home apart. Imagine being able to walk to Westhills Shopping Centre for groceries, coffee, and dinners out—literally in your backyard. The Westside Recreation Centre and C-Train station are only 5 minutes away, Downtown and Mount Royal University are within 15–20 minutes, and on weekends, you can be in the mountains in just one hour. Convenience and lifestyle come together here in a way few communities can match. The main floor offers an easy, natural flow. A dining room welcomes you off the front entrance, leading into a modern kitchen and open living area. Gather around the cozy fireplace or step through the patio doors to your west-facing deck—perfect for relaxing with a glass of wine, catching the evening sun, or hosting family and friends in the golden glow of sunset. The side entrance makes coming and going effortless, whether it's kids, pets, or just unloading the car after a busy day. Upstairs, the spacious primary bedroom is a true retreat, complete with a walk-in closet, 2PC ensuite with convenient Jack-and-Jill access to the 4PC main bath. Two additional bedrooms provide flexibility for older kids, overnight guests, or the home office you've always wanted. Bright windows throughout fill the home with natural light, creating a cheerful, uplifting atmosphere that makes everyday living feel a little more special. The basement is partially developed and ready for your touch—whether that's a TV and rec room, a fitness space, or simply a cozy retreat to

unwind. A built-in credenza bar and laundry area add to the versatility. Step outside to your private sanctuary. The fully landscaped backyard is a gardener's dream with low-maintenance perennials, haskap fruit trees, and tiered gardens that bloom beautifully through the seasons. New deck with added privacy wall is perfect for morning coffee or quiet evenings, with steps leading down to your double detached garage. Here, you'll enjoy the perfect balance of space and low-maintenance living—whether you're hosting family gatherings or locking up and heading to the mountains for the weekend. Notable updates include a new deck, roof (2012), high-efficiency furnace and hot water tank (2018), fresh paint, flooring, and a sleek kitchen with modern cabinetry and black appliances.
