Ideally located close to schools and shopping, this 4 bedroom 3.5 bathroom townhouse is a great option for young families, first time buyers, or investors. The monthly fees are among the lowest of any townhome project in town, and the complex is well managed with a healthy reserve fund. The main floor has an open concept design with lots of natural light, and the kitchen features white cabinets and a raised breakfast bar with seating. Off the dining area is access to a small patio and BBQ space with a patch of grass that provides separation from the neighbors. The home is tucked into a quiet cul de sac with no through traffic, making it an excellent setting for kids. Upstairs are 3 bedrooms and 2 full bathrooms including a primary with double closets and a 3 piece ensuite. The fully finished lower level offers a large recreation room or TV area, a 4th bedroom with a good sized window, and another 4 piece bathroom with tile flooring. A single attached garage adds convenience and is especially welcome in the winter.
