Located in the vibrant, growing community of Livingston, just steps from Livingston Park and within walking distance of numerous amenities is this immaculately kept 4 bedroom, 3.5 bathroom, modern 2 storey home with bright, open floor plan, double attached garage and developed basement!! Entering the home, you're greeted into a spacious foyer. The functional main floor layout offers a discrete powder room set apart from the main living areas, a large mud room off the garage with a walk-through pantry that leads into the kitchen, and an open-concept living, kitchen and dining area overlooking the back yard. The kitchen is the heart of the home, featuring a large island with room for seating, stainless steel appliances, stone counters and ample storage with soft-close cabinets and drawers. The living room is anchored by a cozy gas fireplace and offers large windows for an abundance of natural light. Upstairs, you'll find a large primary bedroom with spacious ensuite and walk-in closet. The ensuite features dual sinks, a soaker tub and separate shower, and a private water closet. Down the hall is a versatile den/office space, two additional bedrooms, a full bathroom and convenient upper laundry room. You'll also appreciate the open bonus room on this floor. The basement is developed with a family room and large bedroom with walk-in closet and private ensuite. Enjoy the rear deck, complete with BBQ gas line, and the fully-fenced yard for the kids and pets! With central air conditioning to keep you comfortable on hot summer days and a complete fire suppression system for added peace of mind, this is the perfect family home.
