Welcome to this nearly brand-new, highly upgraded three-storey townhouse in the sought-after community of Tuscany, backing onto a natural area with no rear neighbours. This is the most upgraded unit in the project and features a stunning main level with abundant two-tone cabinetry, quartz countertops, stainless steel appliances, and a chef-preferred gas range, complemented by luxury vinyl plank flooring throughout. A full-wall window fills the dining area with natural light and opens onto a spacious balcony, perfect for morning coffee or evening sunsets. The upper level offers two well-proportioned bedrooms, a large main bathroom, and convenient upper-floor laundry. The primary bedroom includes double closets and an upgraded ensuite with a fully tiled walk-in shower. Electrical and mechanical rough-ins have been added for future ceiling fans in both bedrooms and the living room. The garage includes a window and ample space, making it ideal for conversion to a home office or gym. Enjoy full access to Tuscany’s amenities, including the community centre, splash park, walking paths, and ravines, with quick access to the C-Train, Stoney Trail, Crowchild Trail, Highway 1A, and easy routes to the mountains, Cochrane, inner city, shopping, restaurants, and services.
